With respect to,

**REGULATION (EC) No 1069/2009 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL
of 21 October 2009
laying down health rules as regards animal by-products and derived products not intended for
human consumption and repealing Regulation (EC) No 1774/2002 (Animal by-products Regulation)**

Dear Customer,

Responding to your interest for Protan AG activities with respect to the European REGULATION (EC) No 1069/2009 (Animal by-products Regulation) we kindly inform you:

We are aware of the European Regulations 1069/2009/EC and 142/2011/EC (implementing regulation for 1069/2009/EC). Protan AG is principally a supplier of preparations and natural raw materials which do require registration under European Regulation 1069/2009/EC.

Where necessary, we have completed the process of contacting our suppliers to ensure the fulfilment of all necessary registration requirements. This effort extends to all raw materials used by Protan AG that are within the scope of the animal by-products regulation.

The registration of the production plant and the documentation for each Protan AG product are available and at disposal of the competent authorities in order to guarantee a safe and continuous supply where 1069/2009/EC regulation is concerned.

The Swiss Federal Food Safety and Veterinary Office has registered Protan AG in TRACES¹ with approval number

BLVIMP00820

Additional information regarding the subject is available upon request.
